OTHER IMPORTANT INFORMATION

CANCELLATIONS, REFUNDS, CHANGES-If you decide to cancel the tour you must notify us in writing at least 45 days prior to the departure date. We will return your money, less \$50 cancellation fee. If we have already purchased airline tickets we will charge you for the tickets but send them to you for future use. Airline tickets are never refundable. If we cancel the trip or if the trip is already full when you register, we will refund all money you've paid in full.

LIABILITY LIMITS: Lucky Mindy Adventures shall not be responsible or liable for any damages due to public transport misconnection caused by transport delays, transport cancellations, or lack of supervision or guidance to you by public carriers. On tours involving airlines or trains, our responsibility begins when the carrier has turned you over to us and ends when we turn you over to the carrier.

TRAVEL BY AIR: Despite implementation of the Air Carrier Access Act, airlines can refuse to transport an individual they determine cannot travel safely by himself/herself. Persons who are not ambulatory will not be able to use the restroom onboard the aircraft unless they can do so independently (an onboard wheelchair is available on most aircraft). If an airline determines that a personal care attendant must accompany the passenger, they cannot charge for the attendant. It is VERY RARE that an airline will refuse to transport an individual, but it has happened. Make certain that you are prepared for the long flight by using the restroom just before boarding. *If you believe you will need staff on your flight, please indicate this when you register for the Lucky Mindy Adventures tour, and we will tell you if this can possibly be arranged.* Note that any time one agency provides two vacationers, they can bring their own staff with them for no charge.

We make every effort to book only non-stop flights. When this is not possible, we request "Meet and assist" service from the airline carrier, which means airline personnel will help you get off the first flight and will take you to the next flight's departure gate. *Staff will not stay with the vacationer, unless a special "escort service" is purchased from the airline at the point of departure.* If you have questions about the degree of service your air carrier provides, please contact them personally or contact Lucky Mindy Adventures for assistance.

Lucky Mindy Adventures staff will be at your gate to meet your arriving flight at the destination airport. Should problems beyond our control occur (flight delays due to weather or mechanical problems) we will contact the airline and give them instructions to give to you. If staff is not at the gate to meet you, please remain in the arrival gate area until further instructed.

POST TOUR CHARGES: If we incur any of the following charges on your behalf we will bill you for those charges, which can include, but are not limited to, long-distance phone charges, pay-TV charges, charges made by airlines for special assistance, excess baggage charges, toiletry, clothing or medical charges we make on your behalf, and extra lodging or meal charges caused by public transportation delays or weather beyond our control.

SUPERVISION AND ASSISTANCE: Lucky Mindy Adventures will provide one staff to assist for each two vacationers, or 1:4 at the "more independent" rate. If you need a higher staff ratio, you can bring a personal assistant for 60% of the tour cost, plus airfare for the assistant. Lucky Mindy Adventures staff will assist with wheelchair pushing, all activities of daily living including assistance with meals, dressing, bathing and toileting, during normal daytime hours. Staff is on-site at the lodging, but not necessarily in the vacationers' room. Persons needing awake overnight cares or medical cares will need to provide an assistant.
